

Union County Family YMCA Terms and Conditions

Personal Information Security

The Union County Family YMCA is committed to providing the highest level of security to members. Personal information, payment information and other data transmitted through our system are encrypted using SSL encryption technology. Security procedures are tested and reviewed on a regular basis.

Payment Agreement

The Union County Family YMCA sells yearly memberships. We allow people to pay for them through monthly draft or annually as a convenience to our members. We also allow members to pay quarterly and a bill will be generated when payment is due.

I understand that by choosing the automatic draft payment system for my membership at the Y, I agree to the following responsibilities:

- a)** I understand that if I terminate my membership, I will be drafted one more time after I give written notice and the membership will remain active 30 days after that last draft date.
- b)** I understand that if my automatic draft is returned unpaid, it may be collected electronically along with a \$30.00 return fee that will be collected electronically. I understand that I am responsible for all collection costs.
- c)** I understand that there are no refunds on membership fees.
- d)** I understand that my membership is continuous and fees are subject to change with a 30 day notice.
- e)** I understand that if I stop payment or close my account without proper notice I must pay a \$30 fee.
- f)** I understand that I need to notify the YMCA immediately of any changes in my bank account numbers, changes in my debit or credit card, or if my card is lost or stolen. Any charges incurred due to changes made without prior notification will be my responsibility and will incur a \$30 fee.

To be read by the person paying for the membership:

I, the person paying for the membership, understand that there are no refunds for membership fees. Even if I am paying annually and I choose to terminate the membership before the year I paid for is completed, no refund will be given. If being payroll deducted, it is my responsibility to notify my employer and the Y when I wish to change or terminate my membership. As a YMCA member, I:

- 1)** State that I and all family members participating in YMCA activities or use of the YMCA facilities are in good physical health with no medical restrictions or physical limitations;
- 2)** accept full responsibility for myself, family members, and guests who participate in YMCA activities or use the YMCA facilities;
- 3)** Acknowledge and assume risks involved in exercise and other activities requiring physical exertion;
- 4)** Agree that the YMCA may photograph or videotape me or my family members and the YMCA may use those photographs or videos for their marketing purposes;
- 5)** Understand that this membership may be revoked at any time if the behavior of myself, family members and guests is not in accordance with the YMCA Code of Conduct.

I understand that the Union County Family YMCA is not responsible for personal property lost, damaged, or stolen while members and / or program participants are using YMCA facilities, on YMCA premises, or involved in YMCA programs.
